Native Instruments releases MASSIVE EXPANSION VOL. 2

New KORE SOUNDPACK provides 200 production-ready synth sounds based on the powerful MASSIVE engine, uses advanced KORE features

Berlin, October 23rd, 2008 – Native Instruments just released MASSIVE EXPANSION VOL. 2, a new KORE SOUNDPACK based on the powerful MASSIVE engine. The library features 200 cutting-edge synthesizer sounds for use in KORE 2 and the free KORE PLAYER as well as the individual MASSIVE synthesizer, providing producers with a practical creative resource for a wide range of electronic music styles.

MASSIVE EXPANSION VOL. 2 covers the whole sonic spectrum from powerful leads and basses to distinctive pads and sequenced sounds, utilizing the full sonic depth and versatility of the high-resolution wave-scanning engine of the acclaimed MASSIVE synthesizer. All sounds are equipped with eight morphing-capable Sound Variations per preset, with crucial sound parameters also conveniently assigned to the unified KORE user interface.

Pricing and availability

MASSIVE EXPANSION VOL. 2 is available for download purchase in the NI Online Shop for a suggested retail price of \$59 / 49 €.

About Native Instruments

Native Instruments is the pioneer and market leader in the field of software instruments, and one of the key players in the market of computer-based audio production technology. The company's mission is to develop outstanding musical tools for all styles and genres. The resulting products regularly push technological boundaries and open up new creative horizons for professionals and amateurs alike.

Native Instruments opened up the fascinating world of real-time sound synthesis on standard computers in 1996, and today offers an extensive product range for the Instruments, Guitar and DJ markets, designed and developed by three corresponding divisions within the company. Native Instruments currently employs more than 150 people in its two offices in Berlin and Los Angeles, and works closely with more than 40 international distribution partners to ensure its future growth and success.
