

## **Native Instruments launches KOMPLETE AUDIO 6 Holiday Sales Special**

### **Premium audio interface now available for a special holiday price**

Berlin, December 5, 2014 – Native Instruments today launched a limited-time holiday sales special on KOMPLETE AUDIO 6. From now until December 31, 2014, Native Instruments' critically-acclaimed audio interface is available for \$199 / 199 € / ¥ 19,800.

KOMPLETE AUDIO 6 is a premium 6-channel audio interface with four analog ins/outs, digital in/out, MIDI, and low-latency performance. Two balanced microphone inputs are equipped with high-end preamps and 24-bit Cirrus Logic AD/DA converters for professional sound quality. The unit is bus-powered, and housed in a sleek, rugged metal casing for dependability in all production settings. The included software suite featuring Cubase LE and KOMPLETE ELEMENTS adds sequencing and synthesis. This combination of professional audio interface paired with powerful software gives users a complete production package at an outstanding value.

### **Pricing and availability**

KOMPLETE AUDIO 6 is available at retailers worldwide and at the NI Online Shop for \$ 199 / 199 € / ¥ 19,800 / £179 / AU\$ 249.

The sales special runs until December 31, 2014.

## **About Native Instruments**

Native Instruments is a leading manufacturer of software and hardware for computer-based music production and DJing. The company's mission is to develop innovative, fully integrated solutions for all professions, styles and genres. The resulting products regularly push technological boundaries and open up new creative horizons for professionals and amateurs alike.

Native Instruments opened up the fascinating world of real-time sound synthesis on standard computers in 1996, and today offers an extensive product range for musicians, producers and DJs. The company currently employs more than 400 people in its offices in Berlin, Los Angeles, Tokyo, Shenzhen, and London and works closely with more than 40 international distribution partners to ensure its future growth and success.
