

Native Instruments launches KOMplete AUDIO 6 Holiday Sales Special

Premium 6-channel audio interface now available at a special price for a limited time only.

Berlin, December 1, 2016 – Native Instruments today launched a limited-time holiday offer on KOMplete AUDIO 6. From now until January 10, 2017, the bestselling interface is available for \$199 / 199 € / ¥ 19 800 / £159 / \$AU279 at participating retailers and at the NI Online Shop.

KOMplete AUDIO 6 is a premium 6-channel audio interface with four analog ins/outs, digital in/out, MIDI in/out, and zero latency monitoring. High-end microphone pre-amps and 24-bit/96kHz Cirrus Logic converters deliver professional sound for any production setup. The unit is fully bus-powered and housed in a solid metal frame – sturdy enough to withstand the strain of mobile use and touring. KOMplete AUDIO 6 also comes with TRAKTOR 2 LE, Cubase LE and the KOMplete ELEMENTS software collection. This combination of professional audio interface and software offers a complete production package at an unbeatable price.

Pricing and availability

KOMplete AUDIO 6 is available at participating retailers worldwide and at the NI Online Shop for \$ 199 / 199 € / ¥ 19,800 / £159 / \$AU279 while stocks last.

The offer runs until January 10, 2017.

About Native Instruments

Native Instruments is a leading manufacturer of software and hardware for computer-based music production and DJing. The company's mission is to develop innovative, fully integrated solutions for all professions, styles and genres. The resulting products regularly push technological boundaries and open up new creative horizons for professionals and amateurs alike.

Native Instruments opened up the fascinating world of real-time sound synthesis on standard computers in 1996, and today offers an extensive product range for musicians, producers and DJs. The company currently employs more than 400 people in its six offices in Berlin, Los Angeles, Tokyo, London, Paris, and Shenzhen and works closely with more than 40 international distribution partners to ensure its future growth and success.

MASSIVE was designed and developed entirely by Native Instruments GmbH. Solely the name Massive is a registered trademark of Massive Audio Inc., USA.
