KOMPLETE 11 SELECT  
SOFTWARE INCLUDED

## KEY FEATURES

- Smart keyboard controller for all your virtual instruments
- Pro-grade Fatar keybeds with aftertouch – 49 or 61 semi-weighted keys
- Ergonomic pitch and mod wheels, plus touch strip for expression control
- Pre-mapped control of KOMPLETE instruments and hundreds of Native Kontrol Standard (NKS) instruments from leading manufacturers
- Full VSTi support
- Tag-based preset browsing: Find sounds quickly and hear instant previews
- Two high-res color screens for browsing, tweaking, mixing, and more
- Light Guide: RGB lights above each key highlight drum cells, key switches, chords, scales, and more
- Smart Play: See scales and modes on the Light Guide, play chord progressions and arpeggios with single keys, or map any scale to white keys only
- Deep integration with MASCHINE software / hardware
- Intuitive control over Logic Pro X, Ableton Live, and GarageBand. Cubase and Nuendo integration coming soon after initial release
- 4-directional push encoder for one-handed sound browsing and project navigation
- Two assignable pedal inputs
- MIDI in / out
- USB 2.0 bus powered
- Includes KOMPLETE 11 SELECT
